About Me

As a beginner front-end web developer, I focus on HTML and CSS, committed to continuous learning and improvement.

Experience

I have designed and developed a personal portfolio website using HTML and CSS. I also created an interactive survey form with HTML and CSS, and incorporated form validation and user-friendly design elements to enhance the user experience. Additionally, I built a fully functional website for a personal business using HTML, CSS, and JavaScript. I'm eager to learn and gain work experience.

Skills Summary

- **Portfolio Website:** Showcased projects and skills with a responsive HTML/CSS site.
- **Survey Form:** Developed an interactive and user-friendly form.
- **Personal Company Website:** Created a functional business website with HTML, CSS, and JavaScript.
- **Technical Documentation:** Built a structured documentation page.
- **FreeCodeCamp Frontend Certification:** Mastered frontend technologies and best practices.
